

Hello! We are Katie Fox-Boyd and Nora Burton. We are senior anthropology majors, and are also involved in tutoring/mentoring programs for Rochester city school students. A component of our senior seminar is to complete an independent project. Here is where you can help us. We believe there is a need for training and support for University of Rochester students who work with students in the Rochester city school district. You have been given this questionnaire because of your interest and experience in tutoring/mentoring Rochester city school students. Please take the time to respond to the following questions, which we will take into consideration for our final project. All of your answers will be completely confidential and we will not use your real name.

Name:

Class Year:

Tutoring/Mentoring group/program participated in:

Duration of involvement:

- 1) What materials have you found useful for your tutoring/mentoring? Where did you get these materials? (If you can provide us with copies, please do)

- 2) Rank the following formats in the order that you would find most useful (with 1 being the highest) as a resource for working with Rochester city school students, as a University of Rochester student. If you can think of any others, please add them in.

- Website
- Video
- Game
- Packet/Binder
- CD-Rom
- Interactive day of training
- Visual and written presentation (slideshow)

3) What topics do you feel need to be covered before working with Rochester city students?

4) What materials would be helpful throughout the course of your involvement?

(E.G.: Rochester demographics, developmental stages of youth, school curriculum, etc.)

5) Who would you be most likely to go to in order to receive this type of information (our final product)?

6) Do you have further comments or advice?

Please return in provided envelope to CPU 276526 by Tuesday 2/28, or return to Katie or

Nora. Thank you!!
