

Greetings:

As you may know, Wilson Day is a university tradition in which students, staff, and faculty spend the day completing community service projects at different educational and non-profit organizations throughout the greater Rochester area. Wilson Day is celebrating its 25th anniversary on **Thursday, August 29th** this year, and the event is going to be bigger than ever with 1,500 participants.

We would like to cordially invite you to be one of the participants in this year's Wilson Day, donating your time from **10am-3pm** to connect with students and Rochester citizens over the course of completing meaningful service.

Wilson Day projects typically include, but are not limited to, gardening, cleaning, painting, and setting up classrooms. Wilson Day participants receive breakfast, lunch, a Wilson Day t-shirt, and transportation to and from your work site. As the Wilson Day coordinators, we would be happy to assign you to projects based on your special needs and preferences, such as an inability to lift heavy objects or a desire to work indoors.

Please respond with your intent to volunteer on Wilson Day by **Wednesday, August 14th** at the very latest. If you have any questions, please contact Carolyn at wilsonday@sao.rochester.edu or 585-273-4137.
