Re: Guidelines on Research Integrity and Conflict of Interest for Graduate Students

Attached you will find new guidelines on research integrity and conflict of interest for graduate students, which have been vetted by the graduate deans of the various schools and by the Graduate Steering Committee and adopted by the University Conflict of Interest Committee.

These guidelines are effective immediately and will be posted on the Provost's web site as well as other appropriate University web sites (i.e., Graduate Studies) within the next two weeks. If you have any questions regarding the posting of the guidelines to the web, please contact Kathleen Moore-Shearer, Assistant Provost, via e-mail at Kathleen.moore@rochester.edu or by calling her at 275-2497 after July 6th.

Thank you.
