

Masters Swim Program

The U of R Masters swim program is organized for adults, ages 18 and older, who are interested in swimming. The program will swim September through May following the academic year. There are multiple levels of the program for people interested in swimming just for fitness or for competition. Members can choose their level of involvement. This program is great for former high school and college swimmers looking to stay active in the sport and maintain their fitness or skill. This is not a learn to swim program and members should know how to swim. Members will have a coach available for developing workouts, improving stroke mechanics, and maximizing efficiency in the water. In order to be a part of the Masters swim program, you must either be an R club member or a student at U of R. Membership in the R Club will also give you access to the sports complex throughout the year.

Practices are held in the University of Rochester's Speegle-Wilbraham Aquatic Center on Monday, Wednesday and Friday 4 p.m.–5 p.m beginning on 9/14/26. The first Friday practice 9/18 is canceled but will resume the following week.

Example Swim Practice

Level	Level 1	Level 2	Level 3
Warm-Up	200 Swim 200 Kick 200 pull 3x100 IM	300 swim/kick/pull 6x 50 kick	400 swim/kick 200 IM drill 4x50 build
