

Running Panopto Software, Macintosh

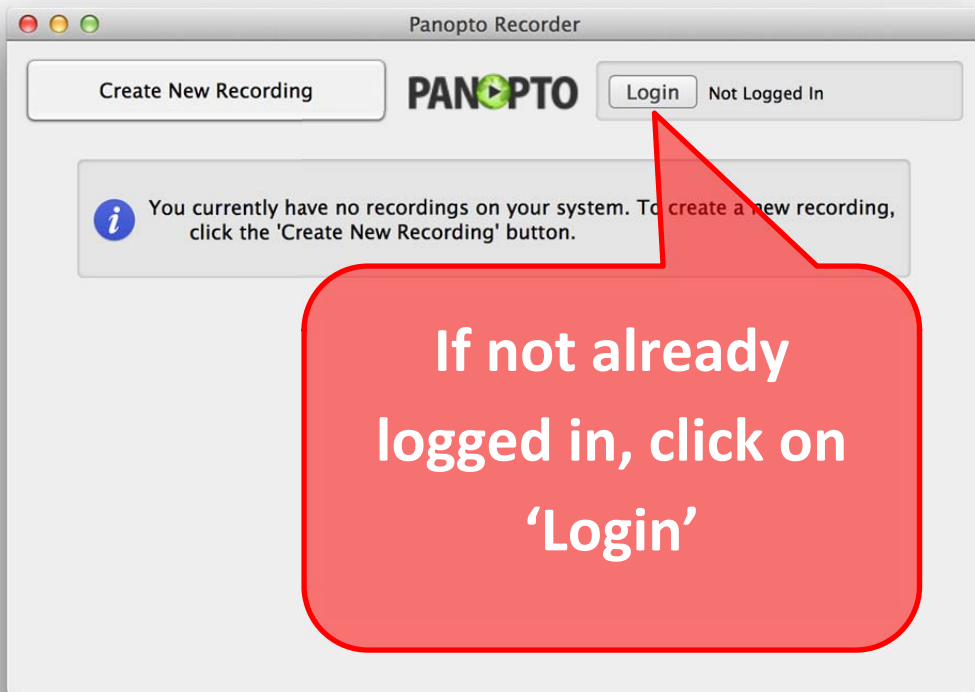

A how-to video can be seen here:

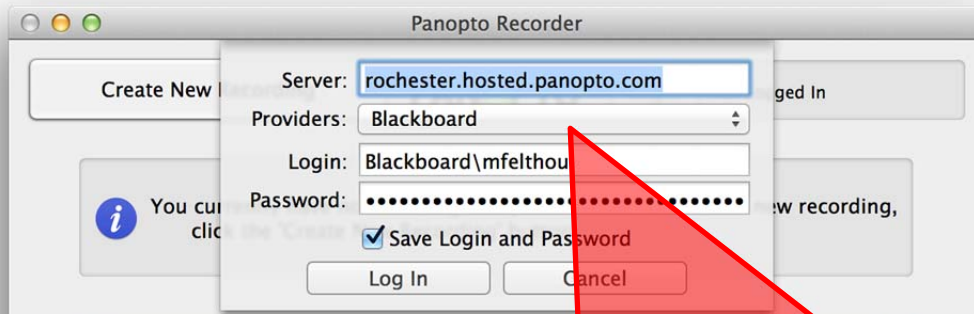

<http://v2.hosted.panopto.com/Panopto/Pages/Viewer/Default.aspx?id=57356d01-8562-47e1-9aa9-1f831121ae4c>

Locate the Panopto program, which is located in the “Applications” folder.

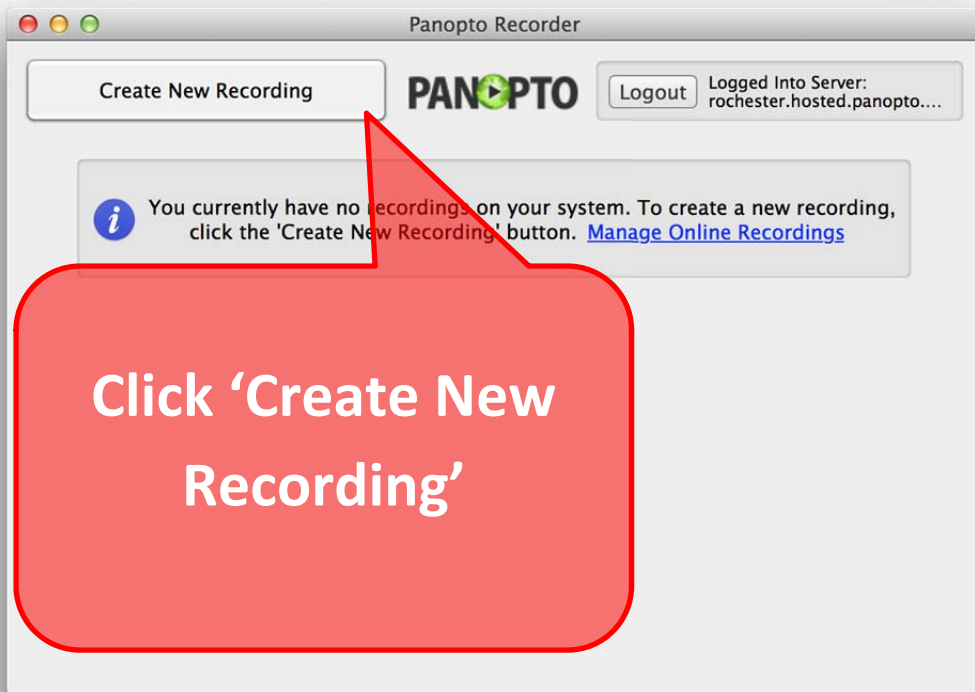

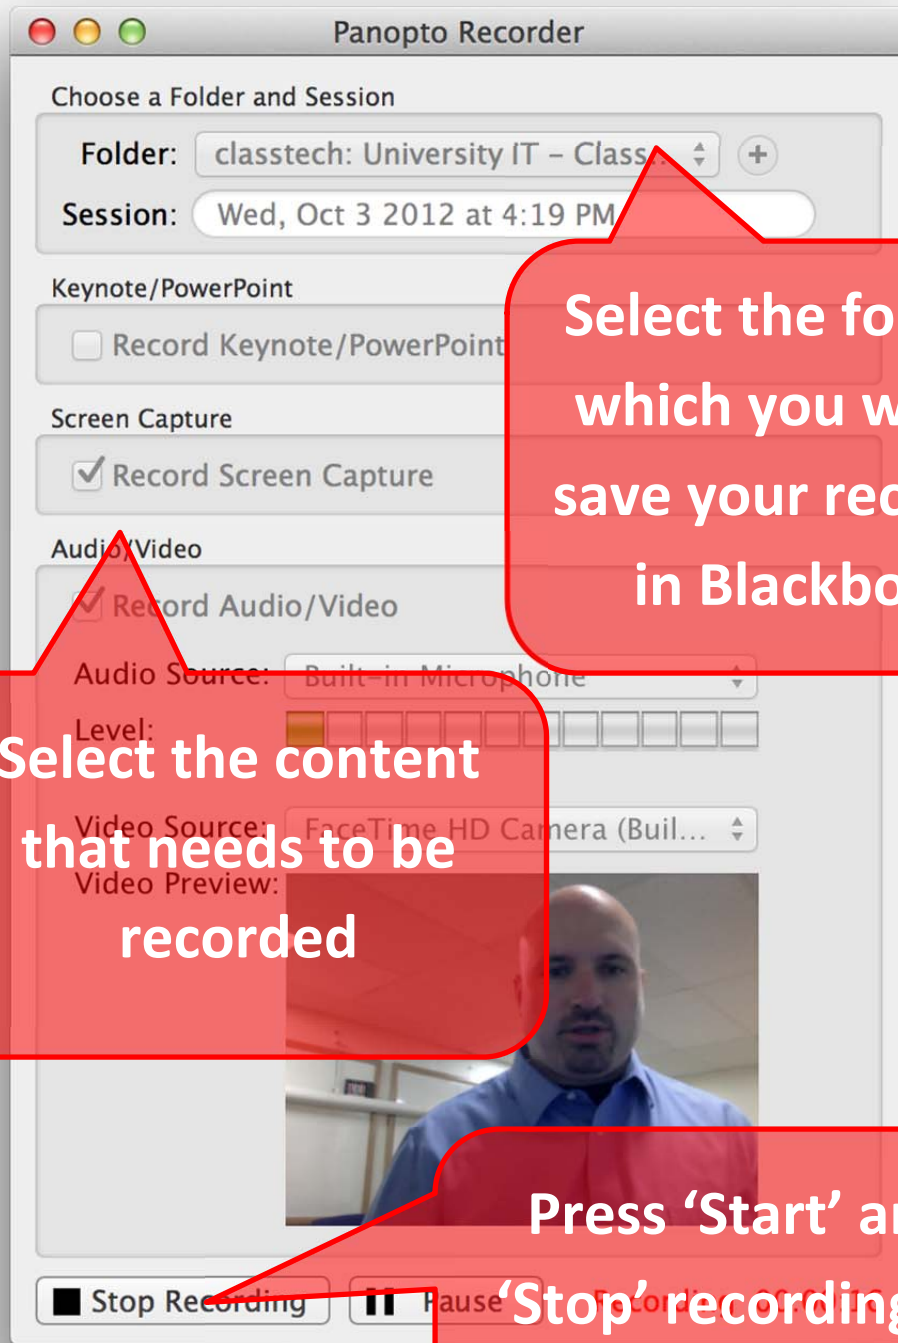

Select 'Blackboard' under 'Providers', and enter the credentials that you would use for Blackboard. Then click 'Log In'

Select the folder in which you wish to save your recording in Blackboard

Select the content that needs to be recorded

Press 'Start' and 'Stop' recording as needed

When finished recording, it is uploaded to the Panopto server; the status is shown here
