The Career and Internship Center is here to help you as you decide on a major, consider career options and search for career related experiences. We offer walk-in hours in our library area, career seminars, and individual appointments to help you clarify and meet your career goals. The Internship Digest will be distributed on Thursday’s to keep you up to date! You can also access previous digests on the Career and Internship Center website.

SPECIAL EDITION

This week’s Internship Digest is dedicated to Career and Internship Day and “Beyond Rochester”: Alumni Career Panel & Reception happening NEXT WEEK! See inside for details!

SUMMER 2013 INTERNSHIPS
Business, Banking, Finance, Consulting and Actuarial

KLA-Tencor Corporation: Finance Internship; Milpitas, CA PAID
KLA-Tencor supports the semiconductor industry with advanced inspection and metrology process solutions, using cutting edge technology to identify defects so that devices are faster, smaller, smarter, and more precise. During this internship, students will manage a project that focuses on analytical and process improvement activities in a variety of areas in the Finance organization.

Engineering, Applied, Computer, and Physical Sciences

Google: Software Engineering Intern Summer 2014, Various Locations PAID
Software Engineers at Google are researchers and developers who yearn to create and implement complex computer science solutions. We focus on being a collaborative, global organization consisting of engineers with the highest levels of technical depth, programming skills, and a keen eye for quality. As a Software Engineer, you will work on our core products and services, as well as those who support critical functions of our engineering operations. Depending on background and experience, you will work in one of several areas.

KLA-Tencor Corporation: Electrical Engineering Summer Internship; Milpitas, CA PAID
KLA-Tencor supports the semiconductor industry with advanced inspection and metrology process solutions, using cutting edge technology to identify defects so that devices are faster, smaller, smarter, and more precise. Electrical Engineering Interns will support first article testing and documentation for the GSS Engineering Group, responsible for sustaining engineering for all of KLA-Tencor's product lines.

Arts, Music, Entertainment and Communications

Hochstein School of Music and Dance: Public Relations Intern, Rochester, NY UNPAID

November 1st
New York State Assembly: Session Internship Program
The New York Times: Student Journalism Institute

NEED ACADEMIC CREDIT FOR AN INTERNSHIP?
There are several ways to arrange academic credit for internships. The most up-to-date listing of academic policies regarding internship credit are available through the College Center for Advising Services at http://www.rochester.edu/college/CCAS/students/opportunities/internships.html. Please see the CCAS website and meet with an academic adviser or Career and Internship Center counselor to discuss the most appropriate internship option for you. More frequently, employers are requesting that volunteer interns receive transcript notation or academic credit, so we need to understand your specific circumstances in order to advise you accordingly.
UPCOMING PROGRAMS AND EVENTS

CAREER CENTER SEMINAR SERIES

HOW TO WORK THE CAREER FAIR

TONIGHT: Thursday, October 3rd, 5:30 pm and TOMORROW: Friday, October 4th, 2:30 pm, Career Center Conference Room, 4th Floor Dewey Hall

Corporate & Investment Bank Pre-Internship Events for Sophomores and Juniors

What’s it like working at one of the world’s leading financial services firms? Apply to attend a J.P. Morgan pre-internship event and you could find out with an expense-paid visit to our New York City global headquarters.

You’ll have the opportunity to shadow our employees, attend skill-building sessions and network with inspiring people. And you’ll see what it’s like to work in our Corporate & Investment Bank businesses.

We want what you’re made of.
Early Leaders®
Case Competition

Friday, November 1–Saturday, November 2, 2013
Schlegel Hall, University of Rochester

The Simon School’s Early Leaders® Case Competition brings together current students from various undergraduate institutions to compete in a business case competition designed to simulate decisions faced by business leaders across the globe. The competition affords an opportunity to put your skills to the test and to demonstrate your potential before a panel of judges comprised of business leaders and world-class business faculty. Teams compete for $10,000 in cash prizes with awards given to first, second, and third place teams.

WHO IS ELIGIBLE?
Current undergraduates from all undergraduate institutions are eligible to apply.
