**NEED ACADEMIC CREDIT FOR AN INTERNSHIP?**

There are several ways to arrange academic credit for internships. The most up-to-date listing of academic policies regarding internship credit are available through the College Center for Advising Services at [http://www.rochester.edu/college/CCAS/students/opportunities/internships.html](http://www.rochester.edu/college/CCAS/students/opportunities/internships.html). Please see the CCAS website and meet with an academic adviser or Career and Internship Center counselor to discuss the most appropriate internship option for you. **More frequently, employers are requesting that volunteer interns receive transcript notation or academic credit, so we need to understand your specific circumstances in order to advise you accordingly.**
