**MONROE COMMUNITY COLLEGE
MASTER LIST – UPDATES AS OF MARCH 2012**

The following is the Master List of Monroe Community College courses, which will transfer to the College of the University of Rochester (Arts and Sciences and the School of Engineering and Applied Sciences). It is a selective list of transferable courses from the 2011-2012 official bulletin of MCC. We expect to update this list again during the fall 2012 semester. For the School of Nursing, in addition to courses listed as transferable below, courses appropriate as a foundation for the professional nursing program as elective credit may be accepted on a course-by-course basis. All relevant UR information will be in the comments column (i.e. comparable, equivalent, etc.) next to the MCC course(s). Please discuss any questions with an adviser in the Center for Academic Support, Lattimore 312.
