   Email urhealthprofessions@rochester.edu, (Usually get an answer within 2 weekdays)
Fall Mini-conference **September 29** look for registration information on the HP Listserve!

Students are encouraged to make a follow up appointment with a health professions advisor after attending a seminar.
Make an individual appointment with a health professions advisor by calling 275.2354 or visiting CCAS in Lattimore 312

Like all students, health professions students are welcome to come to the College Center for Advising Services for general academic advice (dropping/adding a class, overload permission, repeat course)
Questions concerning health professions planning are limited to individual appointments.

Many questions will be answered by reviewing the information on the website
