BIOLOGY AND BIOLOGICAL SCIENCES

BIO Transfer Credit Evaluations

Students must obtain a full copy of the syllabus from the semester taken and upload it to the Online Evaluation Form for Biology Transfer Credit (link: <https://form.jotform.com/232186328192054>). See Biology Transfer Credit Restrictions and Guidelines (link: <https://www.sas.rochester.edu/bio/undergraduate/advising.html>) for further details.

Declaration Instructions

To declare a major or minor in Biology and Biological Sciences, please visit the Department of Biology's website [Department of Biology](#) and click on the intended track page for the major or minor.

- Within the track page chosen, click on the link for the correct Biology track's major/minor declaration form.
- Once the form is completed and submitted, the form will electronically be sent to the UPBM office for review and approval. If there are questions or clarifications needed, the UPBM office will reach out directly to the student via email. If a student would like academic advising before completing their major declaration form, students can contact Caroline Fratianni directly at cfratian@ur.rochester.edu to set up an appointment.
- When the UPBM office approves the major declaration form, students should make an appointment with the major or minor track advisor for further review as well as advisor approval.
- Once the track advisor approves the major declaration form, all Biology majors and minors need to complete a second Major/Minor Declaration Form specifically for the Registrar's office, which Caroline Fratianni approves so the major/minor declaration information flows directly to UR Student.
- ***Please note that the above procedures must be followed for Biology major declaration changes as well. ***

PSYCHOLOGY

Major/minor advising:

Please first contact the following academic staff for advising:

- Robin Clark, Sr. Academic Administrator, robin.clark@rochester.edu
- Erin Sefca, Academic Administrator, esefca@ur.rochester.edu

If additional follow-up is needed, please contact the following faculty:

- David Dodell-Feder, d.dodell-feder@rochester.edu
- Marie-Joelle Estrada, mestrada@ur.rochester.edu
- **Bonnie Le**, bonnie.le@rochester.edu
- Christopher Niemiec, christopher.niemiec@rochester.edu

Transfer Credit:

Please first contact the instructor of the UR equivalent course for approval. Then, contact any of the department staff and faculty advisors listed above. If there is not UR equivalent course, please contact Christopher Niemiec at Christopher.niemiec@rochester.edu and Robin Clark at robin.clark@rochester.edu.

Study Abroad Credit:

First, please contact the Center for Education Abroad and consult the list of pre-approved courses. If the course is pre-approved by the department, no additional authorization or approval is needed.

If the course has not been pre-approved, please submit requests to the Center for Education Abroad (CEA). CEA will then submit requests *en masse* to the department for review once per semester. Thus, it is important that students plan well ahead if they wish to apply for study abroad courses to count towards the major/minor. Please DO NOT contact individual faculty for approval of study abroad courses.
