PERMISSION FORM AND WAIVER

In order to create dynamic website content and promotional material, the Digital Media Studies Program (DMSP) recognizes the importance of incorporating student work into the design process.

By my signature below, I consent to the DMSP using work that I have created in classes relevant to the DMSP for educational and promotional purposes. Such use may be on the DMSP website, in print, or in other formats, and will be made without compensation to me. I understand that the Digital Media Studies Program agrees to credit my work.

In signing this Permission Form and Waiver, I acknowledge that I have read this form, understand it, and agree to be bound by its terms. I further acknowledge that I sign this agreement voluntarily and I am at least eighteen years of age.

Name of Student (printed): __________________________________________________________

Student ID: _______________________________________________________________________

Date: ____________________________________________________________________________

Signature of Student: ______________________________________________________________________
