

The *Order of Omega* is a Greek honor society which recognizes outstanding fraternity and sorority leaders. Members are selected based on their high academic achievement, involvement in the campus community, and work to improve Greek life both in their own chapters and across campus. The Order of Omega annually elects 3% of the fraternity and sorority community to its membership. There is an annual selection process whereby potential members can apply to join the honor society.

This year Fraternity & Sorority Affairs is pleased to announce that the University Of Rochester Chapter Of Order Of Omega has initiated 27 new students!

Congratulations!
