After completing the top portion of this form, you may send a letter that takes the place of the following items or fill out the form. If you write a letter, we ask you to include information on each of these items.

Date and description of infraction:

Evidence supporting your charge of dishonesty. Here, if relevant, please note the sources from which unattributed material was taken (articles, books, websites, other students' work containing identical material, etc.). Please be sure to mark and correlate identical passages between student's work and source materials and turn in originals or good quality scanned copies to the Board with this report. (The Board also recommends that you retain a copy of all materials submitted with this report.)

Copy of your course academic honesty statement and any specific instructions pertaining to the assignment in question.

Student's performance in class (attendance and grades):

Relative worth (in terms of grade) of work or test in question:

Further comments:
