MS
MA
MBA
MPH
Do not intend to pursue a professional degree

While in high school, did you live with a parent/guardian who had a four-year college degree?

Yes
No

**Parent/Guardian 1
Highest Level of Degree
Attainment**

**Parent/Guardian 2
Highest Level of Degree
Attainment**

**Are you currently, or
were you, a member of
any of the following
programs? Check all that
apply**

- Talent Search
- Upward Bound
- Upward Bound Math/Science
- HEOP or EOP
- Gates Millennium
- Other

**If "Other," please state
the program's name**

Short Answer Questions

**Please describe a
challenging situation that
you encountered, either
in an academic,
professional, or personal
context. What made the
situation challenging?
What actions did you
take to resolve the
situation? How effective
were your actions?**

**The Research
Experiences for
Undergraduates program
dedicated to rigorous
academic research in a
chosen field. What are
the strengths that will
allow you to accomplish
the stated goals of this
program? What activities
have you done, or are
doing, that demonstrate
this?**

What is something that you are passionate about? What is it that you can lose yourself in for hours, be it through reading, research, or participation? What makes this thing so exciting for you?

Why is this Research Experiences for Undergraduates program of interest to you? How does it align with your academic interests and career goals? What will it provide that you might not be able to find elsewhere?

How would your professors describe you?

Supplemental Materials

Please review project and PI descriptions on website URL.

Is there a project you have a particular interest in? (Optional)

Have you participated in another research program prior to this opportunity?

Yes

No

Before final acceptance into the program, students will also be required to provide proof of United States citizenship or Permanent Resident status. It is not necessary to submit this as part of the initial application.

Recommendations

Two letters of recommendation are required from professors who can speak to your abilities as a student and potential researcher. Please enter the names of your recommenders below. Once you submit your application, your recommenders will receive instructions to submit their recommendation.

Professor 1 Title: (E.g. Mr/Ms/Mrs/Dr/Professor _____
