2018 Kearns Center Research Symposium Dress Rehearsal
Saturday, July 28, 2018 from 9:00 AM-12:00 PM
Richard Feldman Ballroom

Dear Scholars:

Symposium Dress Rehearsal will take place on **Saturday, July 28th from 9:00 am-12:00 pm** and is a required event for **ALL PROGRAMS**. **You must be present for the entirety of the rehearsal from 9:00 AM to 12:00 PM.** This is an important opportunity to receive genuine and detailed feedback and to be supported by the Center and your peers.

**IMPORTANT NOTE:** We acknowledge that some programs may have received conflicting information about the timing of this day and we have updated it from your original schedule. This is the correct time. We appreciate your flexibility.

Please arrive promptly at **9:00 am at the Feldman Ballroom D** in Douglass Commons **wearing the outfit you plan to wear for the actual Symposium Day on Monday July 30th**; dress is business professional. McNair Scholars will partially walk through their presentations from 9:00-9:30 am, focusing more on speech and slide transitions, microphone placement, prompts etc.

From 9:30 AM-11:11 AM, we will hold the 4x20 lightning talk presentations in four different groups:

1. 9:30 AM - 10:06 AM: CSC/ECE/Data Science
2. 10:06 AM - 10:25 AM: BME
3. 10:25 AM - 10:48 AM: PHY/OPT
4. 10:48 AM -11:11 AM: ME/AME

Since this is your only opportunity to practice, these groups will run through their presentations in their entirety (1 minute and 20 seconds each).

While we are in **Ballroom D** running through oral and lightning presentations, Kearns Staff will be setting up your posters in Ballroom A, B, and C. From 11:15 AM - 12:00 PM you will have a chance to practice your poster presentations. Kearns Staff, along with your peers, will walk around and ask questions so you have a chance to practice what you plan to say.

We will end the day with lunch and also hopefulness and confidence going into the formal Research Symposium on Monday. If you have any additional questions or concerns, please do not hesitate to reach out.

Kearns College Programs Staff
