

Student 2013 Creative Excellence Award Contest

University of Rochester **STUDENTS** (undergraduate, graduate, nursing, medical) are invited to enter the Annual Creative Excellence Award Contest. This activity is sponsored by the Interdisciplinary Cluster for Human Values in Health Care and administered by the Division of Medical Humanities and Bioethics in the School of Medicine & Dentistry.

Entries may be in any medium (e.g., poetry, fiction, fine arts, photography, or personal essay) dealing with issues of human values in health care, and will be judged on their focus and clarity of expression of human values in health care, originality, skill of presentation, and overall quality. **Please note that previously published material is not eligible for entry into this contest.** Judging is done anonymously by members of the Executive Committee of the Interdisciplinary Cluster for Human Values in Health Care.

The winner will receive \$200 and an award plaque, and prizes will also be presented to Honorable Mention winners.

Winners will be announced at the end of May and prize money will be awarded at that time. Winners will be honored at the Annual Ethics and Humanities Grand Rounds Dinner (usually held in the Fall) and award plaques will be presented at that time. Winners' names will be added to the Cluster award plaques on display in the corridor adjacent to the Miner Library. With permission, winning entries will be displayed in a case at the entrance of the Miner Library.

Contest Guidelines

- **Entries are limited to one per person.**
- ***Entries must be accompanied by a Cover Sheet (below) identifying you and your submission. (The work itself must not include your name or any other identifying factor.)***
 - Cover sheets are also available:
