

Registration Form for the Certificate of Achievement in Actuarial Studies

Name: _____ Class: _____

Major: _____ Student ID # _____

CPC Box or Local Address: _____

E-Mail Address: _____

Home/Permanent Address: _____

Phone: (_____) _____

5 Core Courses:

		<u>Semester Completed</u>	<u>Grade</u>
STAT 212	Applied Statistics I	_____	_____
or			
ECON 231W	Econometrics	_____	_____
MATH 201	Introduction to Probability	_____	_____
STAT 203	Introduction to Mathematical Stats.	_____	_____
MATH 165	Linear Algebra w/ Differential Equations	_____	_____
FIN 205	Financial Management	_____	_____
or			
MATH 210	Introduction to Financial Math	_____	_____
or			
MATH 210H	Introduction to Financial Math Honors	_____	_____

2 Additional Courses from the following list:

- MATH 202** Introduction to Stochastic Processes
- MATH 208** Operations Research I
- MATH/STAT 280** Introduction to Numerical Analysis
- STAT 216** Applied Statistical Methods II
- STAT 221** Sampling Techniques

Indicate Course _____

Indicate Course _____

PLUS: 1 more from: either the list above, the following list, or an approved substitute

ECON 236 Health Economics
Independent Study (Advisor Approved)

Indicate Course _____ Semester: _____ Grade: _____

Computer Proficiency Requirement

Some proficiency in a high-level computer language is required.

1 course from the following list:

- CSC 161 Introduction to Programming,
- CSC 171 Introduction to Computer Science or
- STAT 277 Introduction Statistical Software I

Which computer language? _____ Indicate Course _____

Semester _____

PLEASE NOTE:

- Students must complete certificate courses with an overall GPA of 2.5 or higher.
- None of the certificate courses may be taken satisfactory/fail.

****If your Certificate faculty advisor has approved any substitutions, please note the course(s) along with your advisor's Signature: _____**

Certificate faculty advisor's signature: _____

Date: _____

This completed form may be submitted:

- To the Multidisciplinary Studies Center in Morey 206
or
- E-mailed directly to one of the MSC advisors.
