</table>
| The University has entered into an agreement with Genesee Transportation and they provide service for all UR units on the River Campus and at the MedCenter. Their costs vary greatly depending on distance and number of people. Submit requests to RCCL no later than 2 weeks in advance of travel. Recommended for city travel only.  
  
  Capacity: 7 (passengers only)  
  Distance: up to 3 miles  
  Cost: $10 + $3 each additional mile  
  
  Capacity: 7 (passengers only)  
  Distance: up to 5 miles  
  Cost: $15 + $2.50 each additional mile | If you’re transporting a large group, we can arrange for a First Student charter bus to take you to and from your destination. Submit requests to RCCL no later than 2 weeks in advance of travel.  
  
  Capacity, distance, and costs are variable for charter buses. The average cost for a round trip within Western New York is ~$250.00. | For medium-sized groups taking longer trips it may be possible to utilize RCCL’s Community Service Network van. CSN clubs have priority, and their request for van usage will be considered first. Drivers must complete a Motor Vehicle Record check (by providing a copy of their license to RCCL no later than 2 weeks in advance of travel). The driver will be responsible for picking up the keys from the Common Connection in Wilson Commons, recording the mileage driven and returning the keys when done.  
  
  Capacity: 8 (driver + 7 passengers)  
  Distance: no limit  
  Cost: $0.56 per mile |

Option 4: Mileage Reimbursement

If you have your own vehicle and would prefer to drive yourself RCCL can reimburse mileage.

Each mile is reimbursed at $0.535  
(fifty-three and one-half cent)
