**Wrapping up Finances**

As an executive board, it is important that your finances are in order before summer. Double check that your are in the green, that all Event Support, Facilities, Graphic Design, and other bills are paid, and donations are sent to their organization before you leave. Failure to pay bills will result in loss of room reservations or event services.

If you have outstanding Event Support bills, email **Patty Hutchins**.  
If you have outstanding bills for Facilities, email **Kim Taylor**.  
If you have outstanding bills for Graphic Design, email **Jennelle Hart**.

**Complete Assessment Forms**

Don’t forget to complete any remaining Assessment Forms for activities occurring in the spring semester. Evaluating your activities helps your organization transition and aids in completion of end of the year reports. Incoming officers often find it helpful to review these forms.

**Transitioning Eboards**

Remember a successful executive board is not only the glue that will hold your organization together from year to year but also the fuel that continues to propel them in a forward direction. A successful eboard transition is neither difficult nor very time-consuming, however if you don’t do it right you can be in a struggle next semester.

**This publication is brought to you by Wilson Commons Student Activities:**

The Student Organization Insider is WCSA’s monthly e-newsletter for student organization executive boards and advisors. The Student Organization Insider (SOI) is intended to keep student leaders informed on opportunities and updates from their areas of advisement: Students’ Association, Athletics, the Interfaith Chapel, Fraternity and Sorority Affairs, Residential Life, Rochester Center for Community Leadership, the Hajim School, and Wilson Commons Student Activities. The SOI will not focus on information available to students through the Weekly Buzz or Weekend Highlights, and it will not be used to advertise student organization events. Instead, this newsletter is a unique and specialized publication with information and opportunities that are relevant to you as student leaders!
