The University of Rochester is an Equal Opportunity Employer*

**Job Title: Analyst/Programmer Sr Ref# 151683**

**Start Date: IMMEDIATE**

**GENERAL PURPOSE:**

**BRIEF DESCRIPTION OF DUTIES:**

The Web Programmer for the School of Nursing (SON) will work collaboratively with faculty, staff, students and other technology groups to design, develop and implement technologically current, web-based systems and services with database connectivity. He/She is responsible for driving development of compelling and consistent content across the integrated U of R site, with concentration on the SON website. Projects should be handled from requirements gathering, through development and into production with independent decision making and team coordination. Recommend, install and integrate server related hardware and software systems. Various programming related project work and desktop support of the SON community is also required.

**REQUIRED QUALIFICATIONS:**

Minimum acceptable qualifications; Bachelor's degree in Computer Science, related discipline such as Information Technology plus 3-5 years related experience, or equivalent combination of education and experience. Detailed working knowledge and experience with HTML, scripting/programming languages related to the World Wide Web, editors and other tools for programming, building and managing web sites, including Perl, Python, Django, JavaScript, CSS, SQL and Flash. Excellent oral and written communication skills. Ability to work collaboratively with faculty, staff project leaders and students.  
Desirable Qualifications: Experience with Django, ASP, C++, Windows Server, IIS, Unix and Apache web server.

Qualified candidates are to specify the job reference number, job title and location where posting was detected in the subject line of the cover letter. Please email your credentials (cover letter and résumé) in the preferred format—the file should be MS Word 2003 compatible. Email credentials to [judie.myers-gell@rochester.edu](mailto:judie.myers-gell@rochester.edu).
