

INSTRUCTIONS FOR COMPLETING THE BUSINESS/FARM SUPPLEMENT

- If you have more than one business or farm, or a business and a farm, complete a supplement for each of them. **Return this form directly to the college, not to the College Board.**
- When completing this supplement, refer to both your 2003 and 2004 IRS tax returns—specifically, Form 1040, Schedules C, D, and F, as applicable. If an incorporated business is involved, refer to Form 1120 as well. If a partnership is involved, also refer to Form 1065 and/or Schedule K1. **For any year for which tax forms have not been completed, estimate as accurately as possible.** The financial aid administrator may later ask you to provide copies of your tax returns, including your corporate and partnership tax return(s).
- If you are the owner or part owner of a partnership or a corporation: (1) enter your percentage of ownership (question 6); (2) enter total income, expense deductions, and profit for the entire business entity (questions 11–15); and (3) enter your share of net profit (question 16).
- **IMPORTANT:** If a business is a major source of family support but no salaries are reported and business net profit is under \$10,000, explain on an attached sheet how basic family expenses are met.
- Don't submit balance sheets, profit and loss statements, cash flow statements, or tax returns in place of the Business/Farm Supplement, unless specifically requested by your college.
- If your home is part of the business or farm, enter its value and the amount of its mortgage on the CSS/Financial Aid PROFILE® Application. Don't include your home value on the Business/Farm Supplement.
- If farm income is reported on an accrual basis, the required information can be found on IRS Form 1040, Schedule F, Part III. In this case disregard questions 11a through 11c below and begin your entries with Gross Income in question 12.
- If you have gains or losses from the sale or exchange of livestock and/or farm machinery, report the full amount of such gains or losses in question 16 below. Don't include in this question gains or losses arising from the sale or exchange of other property, as reported on your IRS Form 1040, Schedule D.
- If a financial question does not apply to you, write 0. Do not leave questions blank unless the instructions tell you to do so.
