

# THE ART OF SCIENCE AND TECHNOLOGY CALL FOR ENTRIES

SEPTEMBER 7-8

## MEMORIAL ART GALLERY 2013 CLOTHESLINE FESTIVAL

The Hajim School dean's office is pleased to partner with the Sage Art Center on our fourth annual arts and technology competition. As part of our school's "hands-on, minds-on" full-spectrum experience, the Hajim dean's office invites submissions for its 2013 Clothesline Festival tent. We encourage entries that examine the ways in which art, science, and technology imaginatively intersect and innovatively influence our world.

**First Place**            \$300  
**Second Place**        \$200  
**Third Place**           \$100

**Entry Deadline: May 31, 2013**

All members of the Arts, Science & Technology community are eligible to submit entries, including:

- research or design projects
- 3D modeling/sculpture
- digital photography
- sound/audio design
- computer animation
- Web interface design
- CAD renderings
- any eye-catching art form inspired by science or technology

**For more details and to submit your work, contact**
