

ORPA Training Videos

We have added 3 new [ORPA training videos](#) to the ORPA Website training page.

1. Confidentiality, Material Transfer, and Data Use Agreements
2. Proposal Sign-Off Form
3. Cost Sharing

These videos are an alternative method of conveying information to the UR research community.

If you have a grants management topic that you would like to see included as a training video, please contact your OPRA RA. We will do our best to get this information summarized in a video.
