FROM: Department of Parking and Transportation

RE: East Drive Shuttle Stop Location Change

It has been brought to our attention, that the current southbound stop at East Dr. & Goler is causing safety concerns near South Drive and Lot 5. Based on these comments, there will be a change in bus stop that will be implemented on Monday, August 5, 2013. The location of the bus stop will be moved farther south towards Crittenden Blvd. There will be a University of Rochester bus stop sign posted underneath the current RTS sign. The northbound East Dr. & Goler stop/bus shelter will remain unaffected and will continue to operate as normal. The next page will show a map of the new bus stop location. If you have any questions or concerns, please contact the parking office at (585) 275-5953.
