

On July 1, the Zone 1 South lot off Intercampus Drive will include 20 reserved parking spaces available to River Campus employee permit holders. Known as Zone 1 South Premium, this designated area offers convenient, close-in, *reserved* parking at an annual rate of \$800. These spaces provide a preferred close-in parking and are available to the permit holder Monday through Friday from 7:30 a.m. to 7:00 p.m.

To request a permit, log in to [My Parking Online](#) and **add Zone 1 South Premium to your waitlist**. Only 20 permits will be awarded on a first come, first served basis—these select spaces will always be available to permit holders and are not oversold. (Depending on interest, the area may expand in the future.)

Contact the Parking Management Center at (585) 275-4524 with questions.
