MEET THE THESTRALS: Rochester was well-represented in the fourth annual Quidditch World Cup, the national tournament of teams playing a “muggle” version of the magical broom-based game made famous in J. K. Rowling’s *Harry Potter* novels. One of 46 teams in the November tourney in New York City, Rochester’s Thestrals advanced to the round of 16. For more about the team, visit www.rochester.edu/pr/Review.
