Making a Scene

INTERNATIONAL INSIGHT: Filmmakers from Nagaland, India—Sophy Lasuh (left), Liyo Kikon, and Kele Yhoshu (right)—take photos during a tour of Wilson Commons this summer. The three, along with two of their colleagues, visited Rochester as part of a cultural exchange hosted by Heather Layton, an artist and senior lecturer of art at the University, along with her husband, Brian Bailey, a professor of adolescent education at Nazareth College of Rochester.
