STUDENT LIFE
Taco Time!

TASTE OF HISTORY: Harman Brar '15 and other Rochester students lined up 1,036 soft tacos in an attempt to break the world record for the longest line of tacos, which stands at 853. The February event was sponsored by the 2013 Class Council, whose members are submitting documentation of their achievement to the *Guinness Book of World Records*, hoping that Rochester will be declared the new holder of the record for longest taco line.
