Proposal 2005 -1654 and 1655

Dear President Seligman:

This letter is in response to Professor Erickson's communication requesting registration of Ed.D. and Ph.D. licensure-qualifying mental health counseling doctoral programs in Mental Health Counseling and Supervision to be offered by University of Rochester.

I am pleased to inform you that on the basis of our review the programs detailed on the attached listing from the Inventory of Registered Programs are registered in accordance with Part 52.32(c) effective February 16, 2006 for professional purposes under Subchapter A of the Regulations of the Commissioner of Education (Chapter II of Title 8 of the Official Compilation of Codes, Rules and Regulations for the State of New York) until September 2007. After that date, registration will be extended annually until the Department's next review is conducted.

New registration is required for any existing curriculum in which major changes are made that affect its title, focus, design, requirements for completion, or mode of delivery. Therefore, I ask that you contact this office prior to initiating a significant change in these programs.

We wish you and your colleagues success with these programs.

Sincerely,

Barbara D. Meinert
