

Major/Minor Declaration Student Instructions

Process Overview

Use the Major/Minor Declaration Application to officially declare a major or minor in a field of interest.

Prior to declaring a major or minor you are strongly encouraged to contact an advisor in the department you are declaring with in order to be certain of requirements and any additional considerations.

Once the form is completed it will be sent to the department specified on the declaration. If the declaration is **not approved** you will be notified by the **email address you provide** and will have the opportunity to make changes and resubmit the declaration to the department. If the declaration is approved, your student record will be updated to reflect the declaration(s).

You cannot use this system to revise or drop an existing declared major or minor, these changes must be handled through the College Center for Advising Services.

Accessing the Application

Access to the Major/Minor Declaration can be obtained through the following web address: <https://secure1.rochester.edu/registrar/applications/major-minor-declaration.php>

You will be presented with a login form asking for a **NetID** and **Password**. Once you have logged in you will be presented with an options menu similar to the one shown below.

Welcome to the Major/Minor Declaration Options Menu. From this page you can create a new Major/Minor Declaration or update and resubmit rejected proposals.

YOU MUST SUBMIT A MAJOR/MINOR Declaration for each Major or Minor that you plan on taking. Selecting a Major or Minor as one of the divisions **DOES NOT** satisfy submitting a MAJOR/MINOR Declaration.
