

ROOM ASSIGNMENT FORM
(for those unassigned after the lottery)
2018-2019 Room Selection

Sufficient spaces in the residence hall system will become available during the summer (from study abroad students, transfers, inactives and withdrawals) so that all students who participated in the 2018-2019 room selection process can be assigned. Assignment during the summer will remain identical to the order of room selection process (by day and time). Please be sure to include an email address that you check regularly since the Residential Life Office sends out regular updates about assignment progress.

1. Rank order the residence areas listed below. You must rank all applicable choices. If you are a junior or senior, please include the Maisonettes and Riverview in your rankings as well.

- Quad (Burton, Crosby, Lovejoy)
- Anderson & Wilder Towers
- O'Brien Hall
- Hill Court ("Phase")
- deKiewiet and Valentine (Southside)
- Maisonettes (Southside) – ***Juniors and Seniors only***
- Riverview – ***Juniors and Seniors only***
- Brooks Crossing – ***Juniors and Seniors only***

2. Check one of the two choices below:

- Receiving an assignment to a preferred residence area is of higher priority to me than being assigned with a particular roommate.
- I prefer to be paired with a particular roommate. I understand that this preference may delay my assignment, and that there is no guarantee that my roommate and I will be placed together.

(Print name of preferred roommate)

Note: Roommate preference MUST be mutually requested to receive consideration for such placement.
