**Housing Contracts**

Housing contracts for programs will be offered on a weekly basis only. Participants will be allowed to arrive as early as the start date of the first contract week and remain through the last day of the final contract week. This will allow program participants some flexibility on the date of arrival and departure. However, if a participant leaves halfway through a program, the program will be charged through the week of the participant’s departure.

Each participant will be required to complete a sponsored housing contract with Residential Life upon receiving a housing authorization email. **Failure to do so may result in no housing for a participant.**

Housing contracts are due to the Office of Residential Life no later than 2 weeks prior to the start of your program. These contracts outline program dates, enrollment, and special needs, such as microfridge rental, etc. Housing contracts are binding agreements between campus programs and Residential Life and are used for planning purposes.

**Guest Registration**

For security reasons, the Office of Residential Life is required to keep accurate housing lists of all students and guests living in the residence halls during the summer months. For this reason, we are required to obtain the following information regarding each participant in your summer program:

Group Name
Name (First and Last Name)
Gender (Male/Female)
Date of Birth
Institution
Overnight/Day Participant Information
Check-in/Check-out Dates
Email Address
Cell Phone Number
Room Preference and Roommate Request

The form can be found online at [https://www.rochester.edu/reslife/assets/pdf/2016-17/Participant-Registration-Form-2017.xlsx](https://www.rochester.edu/reslife/assets/pdf/2016-17/Participant-Registration-Form-2017.xlsx) and must be used to submit participant lists. Once room assignments have been made, housing information, such as the building and room number, will be distributed to program administrators.

Final housing lists should be submitted to Residential Life **no later than two weeks prior to the date the first participant is scheduled to arrive on campus**. Lists should be sent to Fazeelah Chappell ([fchappel@reslife.rochester.edu](mailto:fchappel@reslife.rochester.edu)). Participants who need to leave campus for medical or other reasons deemed appropriate by Residential Life will be charged through the week of the participant’s departure. Participants who choose to leave campus housing before the end of their program without two weeks’ notice to Residential Life will be billed for the entirety of their reservation or two weeks after checking out, whichever is less.

**ID Cards / Public Safety**

A photo ID card from the University of Rochester is required for any participant staying in campus housing for longer than one week. In the case of an emergency, this will allow the responding Public Safety officer or medical staff to identify the participant and his/her relationship with the University. Names of all participants staying on campus and their assigned rooms will be submitted to Public Safety prior to their arrival on campus.

Upon check-in, participants will receive their room assignments and a packet of information provided by the Residential Life office (including emergency procedures, phone numbers, office hours, etc.). Participants will also receive a temporary University conference card that allows them access to their assigned residence hall. Once the participant receives a University photo ID, he or she must return the temporary conference card as their new photo ID card will be coded for residence hall access. Failure to return the conference card will result in a $15 replacement fee billed to the program. Once a new ID is produced, the student should come to the main Residential Life office in the basement of Susan B. Anthony to have the card official coded with access.

**To obtain UR ID cards, participants should visit the ID Office:**

Student ID cards are free for visiting and current/incoming UR students. If a card is damaged, it will be replaced at no charge. There is a $15.00 charge for lost cards. Visitors must return their University photo ID card and residence hall keys upon check-out.

**Guest Check-In**
Upon arrival to campus, all participants should proceed immediately to the Summer Housing Service Desk in 100 Gilbert Hall to check in and pick up housing materials (keys, conference cards, etc.). Directional signage stating “Conference Summer Housing Check-In” will guide participants to the service desk, and campus maps are available for download and printing at https://www.rochester.edu/maps/printable_maps/URmaps_RiverCampus.pdf.

**Guest Check-Out**

Information about check-out procedures will be posted and distributed to summer participants two weeks prior to the end of summer programs. Participants must return their room keys and conference cards prior to departing campus. Rooms must be left in satisfactory condition. Non-UR students will also be asked to return their University photo ID cards. Participants who are not able to check out of their rooms during office hours will receive instructions for express check-out, including where to leave their materials and a number to call to confirm that they have done so.

It is strongly recommended that any food left in community refrigerators is labeled to avoid confusion and dispute.

Each residence hall is equipped with laundry facilities for summer residents. Washers cost $3.00 per load; dryers are free.
Facilities issues, such as a lack of hot water, a flooded toilet or shower, a broken window or missing screen, should be directed to the Facilities Customer Service Center. The contact number is 585-273-4567 and is open 24 hours per day, seven days a week. When in doubt, the Summer Housing Service Desk in Gilbert is also a good resource.

**Microfridges**

A combination refrigerator, freezer, and microwave (microfridge) is available to rent for summer housing participants staying in the residence halls. Each unit is $115.00 for the summer and must be ordered through the Office of Residential Life no later than May 1, 2017. This information will be included in your Summer Housing contract. Please note: There can be no changes to contract microfridge numbers during the week before participant arrival. Units will be delivered to the participants’ rooms within 48 hours of check-in and picked up directly from the rooms after departure.

Residence hall beds are extra-long twin size. A linen service will be offered by residential life for programs that are interested. Participants are responsible for providing their own linens. Participants who are not able to bring their linens should be encouraged to purchase them at local stores, including at the Marketplace Mall (JCPenney, Macy’s, etc.), Target, or Walmart. These locations are easily accessible on Saturdays via the summer shuttle.

Parking

Summer participants with cars must have a valid campus parking permit to avoid fines and possible towing. Permits can be purchased from the Parking Management Center located at 70 Goler House.

It is the sponsoring department’s responsibility to obtain temporary parking passes for summer participants. These should be sent to the summer housing desk or distributed to the participants as needed. It is the participant’s responsibility to obtain a permit from the Parking Office before any
temporary permit expires. No exceptions will be granted as summer programs should offer time during their orientation schedule for students to acquire these permits.

Located alongside the Genesee River, the Genesee Valley Park has many running trails and open spaces for use by the University and the Rochester community.

Information about the Goergen Athletic Center, including summer hours, can be found on the Web at www.rochester.edu/athletics. Specific questions about the facility and types of equipment available can be directed to (585) 275-7643.
