Walking to the Medical Center from the River Campus

**Start at the Goergen Biomedical Engineering Building.**

- Go across Intercampus Drive and walk on the brick pathway (at the end of the Intercampus Parking Lot). As you walk on the path, Mt. Hope Cemetery will be to your left.

- At the end of the path, walk on the sidewalk that goes between the Central Utilities Plant, a large building on your right, and the Medical Center Annex, a low flat-topped building on your left. The sidewalk will take you to Elmwood Avenue.

- Cross Elmwood Avenue at the light and enter the building at the School of Medicine & Dentistry entrance.

- Once inside the building, turn right and walk through the glass doors. You will enter the Flaum Atrium. Walk through the atrium and go up the brick stairway that is located in the far right end of the atrium.

- At the top of the stairs, turn left and walk across the bridge. Take this hallway to the 2nd intersecting hallway and then turn right.

- Walk to the end of the hall. At the Employee Pharmacy, turn left. UHS is straight ahead in 1-5077.

**University Health Service (UHS) 1-5077**

**Directions from the River Campus to the UHS Medical Center Office (1-5077)**

**DIRECTIONS:**

Take the stairway at the end of the Flaum Atrium to the 1st floor. Turn left & walk down the hallway. At the 2nd intersecting hallway, turn right. Walk to the end of the hall. At the Employee Pharmacy, which is at the end of the hall, turn left. UHS is straight ahead in 1-5077.
