Dear Student:

Good news for your oral health care!

For the seventh year, the University of Rochester is pleased to offer affordable, convenient, high-quality care to our undergraduate and graduate students.

With your hectic schedule, it's often easy to overlook the importance of good dental health. Regular preventive care helps you avoid costly, lengthy treatments in the future. Excellus BlueCross BlueShield offers you exceptional value and helps you protect your smile with the University Student Dental Plan.

The plan offers two options.

	In-Network Option*	Out-of-Network Option*
