The University High Deductible Plan is available for full-time students with a dependent child or children. Spouses and eligible domestic partners are also covered by this plan. Students without children are not eligible to enroll in this plan. For criteria for enrolling a domestic partner, check “Health Insurance for Full-time Students” on the UHS web site (www.rochester.edu/uhs) or contact the UHS Insurance Advisor at insurance@uhs.rochester.edu or (585) 275-2637.

COST: \$1,010.80 per month (\$12,129.60/year)

The full-time student must also pay the mandatory health fee (\$600/year or \$50/month). If the student chooses a health care provider at the University Health Service (UHS), the mandatory health fee will be reduced.

We encourage you to talk with our Insurance Advisor if you are considering enrolling in this insurance plan.
