

Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

The training experience provides a broad range of clinical opportunities within a university setting and is supported by intensive supervision, seminars, and clinical case conferences. These experiences include: time-limited psychotherapy, year-long group psychotherapy, assessment for treatment planning purposes, on-call/emergency services, provision of supervision to psychology graduate students, and campus outreach and consultation, and a research-based group social justice project.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours		No	
Total Direct Contact Assessment Hours		No	

Describe any other required minimum criteria used to screen applicants:

Applicants for our five doctoral internship positions must be from APA or CPA accredited counseling or clinical programs, have completed at least three years of graduate work, have at least 200 hours of individual therapy experience with adults, and have completed their comprehensive exams by the time of application.
