Q&A / Next Steps

# Reporting Strategy

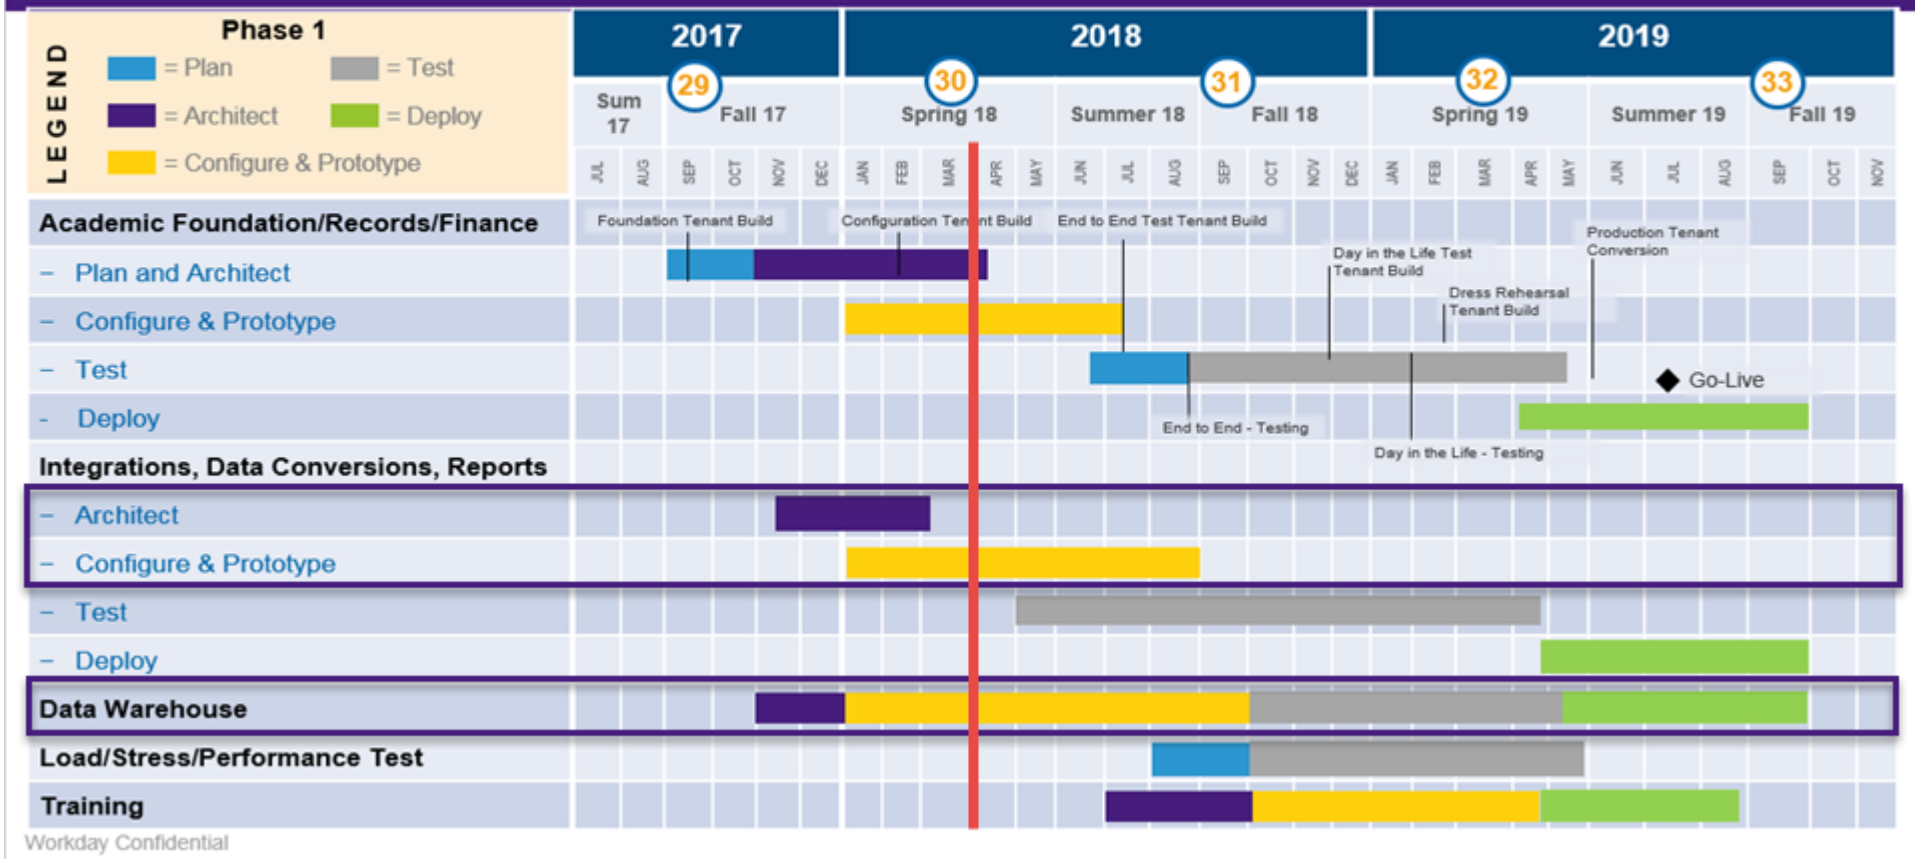

# Inventory of Reports

---

- Two Types; High level and Detailed
- Summary Sheet (High level)
  - Review document for completeness and make sure the reports are aggregated in a logical way
    - <https://rochester.box.com/s/3ai06ev8p594bi4j9z6j1j8s122fs2nu>
- Affinity Matrix (Detailed)
  - <https://rochester.box.com/s/3ai06ev8p594bi4j9z6j1j8s122fs2nu>
- Desired outcome
  - Review the entire listing and identify potential gaps and obsolete reports
- Please send your results to [John.podvin@rochester.edu](mailto:John.podvin@rochester.edu) by **March 13, 2018**

# Project Overview – Phase 1 Timeline

## Deployment Milestones

# Future Agenda Items

---

## ■ Potential Agenda Items

- Additional content from SIG members
- More discussions on report sources
- Overview of Conversions
- Update on project and timeline

# Q&A

---

- Are there topics you think this session should have covered, but didn't?
- Are there specific topics we should devote attention to in the future?
- Are there any other questions or concerns?
