- Daily "stand ups" with the Champions in each of the schools will continue through cutover and stabilization to ensure transparency and responsiveness as we work through open issues

### IMPORTANT REMINDERS

- Schools should have started keeping track of any changes made in the legacy SIS, so that they can "catch up" with these transactions when UR Student is live on Monday, February 17<sup>th</sup>

**PLEASE NOTE:** The only administrators working in UR Student are registrars, course administrators, and staff assisting with data cleanup activities. Students, instructors, advisors and other records administrators will cutover starting in February. The Bursar's Office and Student Finance personnel will be impacted starting July 2020.
