

Urban Teaching and Leadership Program
 Program Sequence: Professional Teacher Certification

Teachers who have Initial/Provisional New York State Teaching Certification can participate in the UTL Program if they successfully apply to a master's program in teaching and curriculum, leading to New York State Professional Teacher Certification in their current area of specialization. For information on the Warner School's professional certification programs, [click here](#).

Along with their coursework and field requirements for professional certification, UTL candidates participate in additional courses and experiences designed to enhance their ability to teach for social justice in urban schools. Below is an overview of the program sequence for professional certification candidates.
