# New Manager and Supervisor Onboarding

(Formerly the Strong Leadership Program)

---

**Effective fall 2013, The New Manager and Supervisor Onboarding Series has replaced the Strong Leadership Series.**

The New Manager and Supervisor Onboarding Series is designed for **new or recently promoted** managers and supervisors **with direct reports** who work within the University of Rochester Medical Center system or in a clinical setting. Woven among the various modules are Leadership Core Competencies linked directly to organizational strategy and business imperatives. These competencies include: Effective Communication, Leading Transformational Change, Innovation, Systems Thinking, Healthcare Stakeholder Focus, Organizational Effectiveness, and Building Teams.
