Staff Community Service Award — Nomination Form

Nominations Due: February 15, 2017

Scope

The Staff Community Service Award (SCSA) is awarded annually to a non-management staff person in recognition of outstanding contributions to the University of Rochester community (in a capacity other than their usual assignment) and/or in the greater Rochester community.

Nominations are accepted to recognize achievement of a singular outstanding event or the continuous outstanding and dedicated service the individual has provided over a long period of time.

Eligibility

All active full- and part-time University of Rochester staff, other than supervisory and management personnel, with a minimum of one year of service may be nominated. Nominations may recognize:

- Long-serving high achievement for a local community organization, neighborhood group or association, or the University community.
- A record of significant and sustained community service such as volunteering with charitable, nonprofit organizations, or within the University community.
- A nominee who has demonstrated any of the following:
  - “Leading the charge” in order to initiate a community project or University initiative outside of their usual assignment.
  - Serving as an inspiration to others through his or her persistent excellence either at the University (in a capacity other than their usual assignment) or in the general community.
  - Providing assistance to a local community or University project that had a positive impact on individuals.

Nominations

- In November of each year, the Associate Vice President for Human Resources issues a call to the UR Community for nominations.
- The SCSA committee will select one honoree annually, based on the criteria noted.
The Award

A cash award of $2,500 will be shared by the recipient ($1,500) and the organization ($1,000) that the recipient has worked with to provide the service and the University will waive the cost of the recipient’s current parking permit for one year.

The recipient’s name will be inscribed on recognition boards placed in prominent locations at the Medical Center and in Wallis Hall. In addition to receiving a certificate and being honored by the Board of Trustees, the awardee will also be featured in University publications and invited to attend a reception in his or her honor.
