Reporting Medical Mileage

- Medical mileage rates are set by the IRS and can be applied to transportation primarily for and essential to medical care.
- Indicate the total number of miles incurred with each service provided (i.e. round trip miles to visit the doctor).
- Lifetime Benefit Solutions will apply the current mileage rate and include the mileage amount in your total reimbursement.
- You may be required to produce additional documentation for each mileage expense you claim.

Medical Claims for FSA and LPFSA

- For each medical claim covered by your insurance carrier, submit an Explanation of Benefits (EOB). If your claims are not submitted to your insurance carrier, provide an itemized bill showing: date of service, provider name, patient name, charged amount, and description of services rendered.
- Do not send credit card receipts, original receipts or cancelled checks.
- The IRS states that Over-the-Counter (OTC) items classified as drugs and medicine are only eligible if they are accompanied by a doctor’s prescription.

Dependent Care Claims

- Please use the separate form titled Dependent Care Account Reimbursement Request Form.
