COURSE NUMBERING SYSTEM

1–99  Noncredit

100–199 Introductory undergraduate courses; no graduate credit

200–299 Junior and senior undergraduate courses; three hours of graduate credit unless otherwise specified

300–399 Undergraduate honors courses; three hours of graduate credit unless otherwise specified

400–489 Master's first-year-level courses; credit specified with course descriptions; open to undergraduates under certain conditions

Credit hours for courses that differ from the above table are given in the course descriptions.

NUMBER OF CREDIT HOURS to be specified at registration:

490–499 Master's-level reading and research courses

500–599 Advanced or specialized graduate courses and research; usually for doctoral-level students only

895 Continuation of master's enrollment

899 Master's dissertation

985 Leave of absence

990* Summer registration in residence

995 Continuation of doctoral enrollment

999 Doctoral dissertation

* 990 is not used by the College.
PUBLICATIONS ABOUT GRADUATE PROGRAMS
AT THE UNIVERSITY OF ROCHESTER

Most colleges and schools of the University publish brochures or Official Bulletins listing faculty, courses, and degree requirements. In addition, many departments offering graduate programs publish detailed brochures about their courses of study, faculty members, facilities, scholarships, etc.

Requests for Official Bulletins, departmental brochures, and applications should be made to the following:

<table>

April 25  Last day to submit two final corrected copies of the dissertation for May 2005 Ph.D. degree.

April 28  Reading period begins (optional by College offering course).

May 2–9  Final examinations.

SUMMER 2005

May 16  First day of classes for the full summer session, six-week session A-6, and short session A-4.

May 30  No classes—Memorial Day holiday.

June 10  Last day of classes for short session A-4.

June 13  First day of classes for short session B-4.

June 24  Last day of classes for six-week session A-6.

June 27  First day of classes for six-week session B-6.

July 4  No classes—Independence Day holiday.

July 8  Last day of classes for short session B-4.

July 11  First day of classes for short session C-4.

August 5  Last day of classes for full summer session, short session C-4, and six-week session B-6.
FALL SEMESTER 2005

July 29  Completed applications for full-time graduate study for the fall semester should be submitted by this date.

August 31  Last day to submit two final corrected copies of the dissertation for October 2005 Ph.D. degree.

September 1  Classes begin.

September 15  Last day for registration and for payment of tuition and fees without late fee.

October 17  Fall term break begins. Classes resume October 18.

November 15  Completed applications for full-time graduate study for the spring semester should be submitted by this date.

November 23  Thanksgiving recess begins at noon. Classes resume November 28.

December 13  Reading period begins (optional by college offering course).

December 16–22  Final examinations.

December 22  Winter recess begins after last examination.

SPRING SEMESTER 2006

January 17  Last day to submit two final corrected copies of the dissertation for March 2006 Ph.D. degree.

January 18  Classes begin.

February 1  Last day for registration and for payment of tuition and fees without late fee.

February 1  Last day to submit applications for admission in order to be considered for fellowships, assistantships, and scholarships for 2006–2007.

April 21  Last day to hold doctoral qualifying examinations in the spring semester.

April 28  Last day for final doctoral oral and master’s comprehensive oral examinations for May 2006 degree.

May 1  Last day to submit two final corrected copies of the dissertation for May 2006 Ph.D. degree.

May 4  Reading period begins (optional by College offering course).

May 8–15  Final examinations.
