BLACK HISTORY MONTH
Celebrating History

QUIZ TIME: Medical students Nianda Clotien ’10M (MD) and Shaiahne Mark ’10M (MD) along with Simon graduate student Li Xiang Poncz cheer after correctly answering a question about African-American history during a Jeopardy-like game as part of the University’s Black History Month celebration. The game was one of several events to mark the month and to mark the Martin Luther King Jr. holiday, a celebration that featured a keynote address by prominent civil rights activist Rev. Joseph Lowery.
