# Erick '77 and Nancy '78 Bond 2017 Reunion Gift Challenge

As you celebrate your Reunion this year, two very generous alumni have come forward and committed up to \$100,000 in University support to fuel a gift challenge.

Erick and Nancy Bond treasure the time they had on the River Campus and have come to realize how much their education at the University of Rochester has contributed to the fulfillment in their lives. In this, Erick's 40th Reunion year, they would like to give back in a significant way and support the College's new **Community-Engaged Learning Program**.

The Bonds would like to challenge their fellow alumni celebrating Reunion to join them in giving to Community-Engaged Learning which offers a wonderful opportunity for students to gain hands-on, practical experience in the Rochester business community or with potential employers nationally and around the globe. Students participate in research, problem solving, networking, and learn on-the-job training through internships and travel abroad.
