Engaging With Your Class Throughout the Decades

Dandelion Day... the most popular of University of Rochester traditions. Koodle's Band... no classes... picnic in Genesee Valley Park... no classes of Chi Xi. For freshmen, it is the most fun-filled day of the year... for seniors, one of the last free days of college life.
Can anyone help me name and track down this group of clowns?

From 1962 bragging, "forever strong," can't go wrong, "with all the zest," "we're the best," and "know all the tricks!" Time to prove it!

"We're the class forever strong,
Can't be beat-can't go wrong,
We're the class with all the zest.
We can take it—we're the best,
We are smart—know all the tricks
U of R, U of R '66!"

Linda Chalmers Zemel Did we write that cheer at Frosh Camp? Seems to me we did.

Andres Vaart Well, I presume we did. But I wasn't on the committee! And looking at others around our time, the rhythm and pace are similar—am thinking we were coached. I think it is called "braggadocio-without-justification" or "Braggadocio-to-be-earned" (Though that may be a font in Microsoft word -)

Richard Woodrow We wrote it during Freshman Week. I have a vague memory of working on it with a bunch of other folks. But vague is the operative word. Memory not so much.

“I thought it would be special, but I didn't realize just how very special it would be.”

– Neil Cullen ’64

“All of your words have echoed what I have been feeling since our first ‘togetherness’.... whether by breaking bread or raising a glass, but I had been thinking that my ‘Meliora Moment’ has been the really clear continuation of our wide circle of friendship and sincere caring for and about each other since those first days in 1960. This past weekend only cemented my knowledge that we really are an extended family of sorts; there and here to help and support each other each by knowing that these now deep roots will carry us forth.”
