League Days/Times- Thursday (9-11pm)

Kickball

Teams- Must have AT LEAST 8 players to be considered at team. Less than 8, will result in a forfeit.

Game Play- A game will be either 6 innings OR 1.5 hours in length. No inning can start past 1 hour 25 min from start time.

Once a Lineup of kickers has been established, that order must remain the same the whole game.

Unlike baseball, there are no strikeouts, leading off or stealing. A player can be out in Kickball when:

● The ball is caught by an opposing team member
● They are tagged out by an opposing player
● The player is forced out at a base by an opposition team member
● A player is touched by the ball. If player is hit in the head or Neck area, that player is not out and will be granted the base they were going to.

A run is scored when a player crosses home plate.
