I AM PAID BI-WEEKLY (paid hourly, twice per month)

My signature is a confirmation that I voluntarily authorize the University of Rochester Payroll Department to deduct membership, and possibly locker, fees for the R Club Fitness Membership from my paycheck twice per month. I understand that these fees may increase due to any membership and/or locker rental rate increases and that I will be notified of these changes or increases prior to implementation. I understand that refunds are not available. I understand that it is my responsibility to be aware of any and all deductions from my paycheck. I also understand that I have a right to revoke this wage deduction authorization in writing at any time (except for wage deductions required or authorized in a current collective bargaining agreement). However, future deductions can be stopped only after a written request has been received by the R Club. Cancellation requests will take time to process, but will never exceed 2 pay periods. I understand that any deductions pay my membership forward. If it is not possible to deduct the correct amount from my paycheck, I am responsible for the payment owed to the R Club, or my membership will be terminated.

I voluntarily agree to have the amount of _____ (circled on previous page) deducted from my paycheck twice per month (24 deductions annually). There will be no deduction made in the event there is a third check in a month.
