Student Organization Re-Registration

All Student Organizations must complete Re-Registration annually. The purpose of Re-Registration is to ensure your Organization's listed officers is accurate moving into the next academic year. It is preferred that the President of your Organization complete this process; however, any Organization officer has the ability to submit re-registration for the entire Organization.

To compete re-registration:

1. Log into CCC.
2. Visit your Organization's CCC dashboard.
3. Located at the top of your browser should be a "Group Re-Registration" button. Select this to complete.

During re-registration, you will be asked to confirm your list of officers, and provide a list of at least six (6) active members.

To ensure the appropriate officers are receiving necessary information, such as, details regarding the Fall Activities Fair, Fall Leadership Training, storage updates, and more; we are asking Organizations to prioritize completing Re-Registration by 11:59 p.m. ET on Sunday, August 14th. Re-Registration will officially close on Wednesday, September 14th at 11:59 p.m. ET. Organizations who do not complete re-registration by then may be derecognized.

If you or your Organization has questions, please reach out to Wilson Commons Student Activities.

Sexual Misconduct Training

In compliance with New York State Education Law 129B, all Student Leaders at the University of Rochester are required to complete training regarding how to recognize and respond to instances of sexual misconduct. The training is administered online by a company called EVERFI. This training will not be on Blackboard, MyPath, or JobLink. Instead, keep an eye on your email - including the spam/junk folder. A unique link will be sent to each individual student in September.

Students who do not complete the training by the deadline will not be allowed to participate in organization activities, will have organization privileges revoked, and will not be able to reserve spaces through VEMS - until the requirement is satisfied.

Reservations Timeline

Reservation requests for all meetings, events, or activities will open at 9 a.m. ET on Wednesday, August 3rd.

Current requests can be viewed by your VEMS contact by looking under the "My Events" tab in VEMS. All requests have been placed in a tentative status while we await the finalization of the next steps in the process.

Organizations who do not have a VEMS contact should designate one active officer to be the contact for the entire Organization. Said officer must submit a Change VEMS Contact form as soon as possible.

More information will be sent to your organizations VEMS contact.
