

Your Event Pass lets you check-in at various events using Event Check-In.

## Getting your Event Pass

- Paths
- Event History
- Memberships
- Experiences
- Service Hours
- Involvement Record
- Submissions
- Notifications
- Downloads

1. Navigate to [ccc.rochester.edu](http://ccc.rochester.edu) in your favorite browser or mobile device. Log-in if prompted

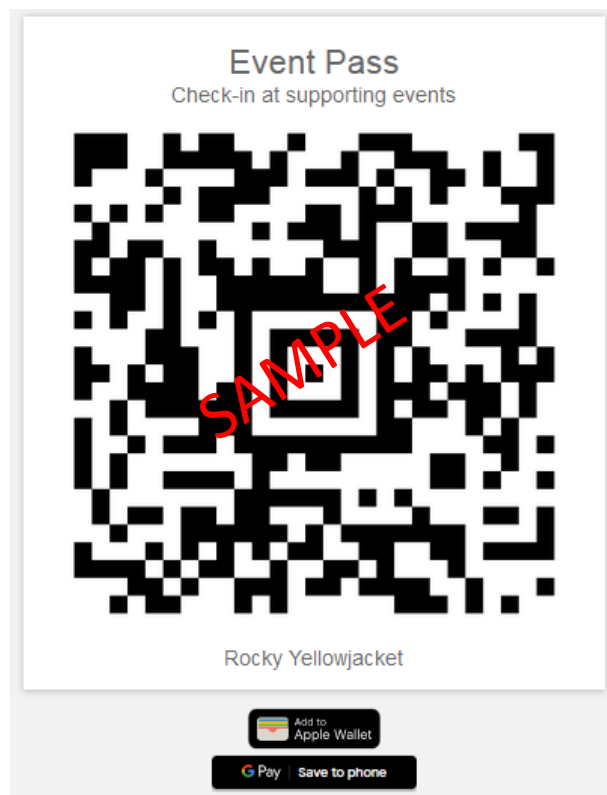

2. Click on your Account Icon on the right 

3. Select Event Pass from the menu

## Saving your Pass

You can save your Event Pass to your Apple Pay, Google Wallet, or as an image in your mobile device. You can also print out a copy to carry with you!

- Select either Apple Pay or Google Wallet when viewing your event pass, then follow the prompts to save your pass for easy access later.
- If you do not have an Apple Pay or Google Wallet account you can take a photo or screenshot of your Event Pass.
  - If you are using a laptop or desktop, use your mobile device's camera to take a picture of the pass from your screen.
  - If you are using your mobile device take a screenshot with your event pass open.
    - Refer to your specific device manual for taking a screenshot.
- If you do not have a mobile device, you can print your event pass from a desktop or laptop. Use your web browser's print feature to print out a copy of your pass and carry it with you.
